ADDITIONAL INFORMATION

- 1) The recommended list is based upon testing conducted by the manufacturer in a lab simulated environment, and the results can vary in certain field applications due to a number of factors.
- 2) The absence of a dimmer from this chart does not necessarily imply incompatibility.
- 3) Please reference the dimmer manufacturer's instructions for installation.

DIMMER TYPE

- L: Leading edge dimmer type
- T: Trailing edge dimmer type
- U: Universal dimmer type
- ELV: Electronic low voltage dimmer type

	Good compatibility and dimming performance.
	Dimming performance varies depends on number of lamps connected. Minor flickering or noise may be found.
	There is flicker or unstable operation.
	Not tested. Compatibility unknown.
